

School classes at the Kunstmuseum Luzern

Dear Teachers

Welcome to the Kunstmuseum Luzern!

So that your visit runs as smoothly as possible we would like to draw your attention to the following points:

- Teachers take responsibility for the entire class and keep them together.
- Please ensure that all the pupils stay at a distance of at least one meter away from the art works and do not lean against walls or display cases.
- Attention! Sometimes there are works of art unprotected on the floor.
- In case of any damage done, you, as the teacher are the museum's contact person and are requested to give the necessary information on how the damage occurred.

Other points

- Please use the cloakroom storage boxes for school classes in front of the lockers.
- Please have consideration for other people in the museum. Avoid making noise and keep the passageways clear.
- Writing and drawing may only be done in pencil.
- It is not permitted to eat and drink in the museum.
- Please instruct your students not to run in the museum.
- Sitting on the floor is allowed.

If you have any questions or concerns, please contact us.
